### HISTORY OF KUMBAKONAM

Kumbakonam Kshetram with the mythological name Bhaskara Kshetram is located on the banks of the Holy River Kaveri. This land, which is mentioned in Devar hymns as "Kudanthai Keezhkottam" has many Mahans and Shiva Vishnu Madams (Advaita Dwaita Vishishtadvaita). After the biggest Deluge, the world became united with Lord Shiva, the seeds needed for the coming ages were placed in a nectar pool and it properly decorated and floated thrice until the end of the whole world. It is in the local history that when "Sri Rudhrar" took the guise of "Kiratha Murti" and broke the kumbam with his weapon, the Amruta Bindu. i.e. a small amount of water fell from the amruta channel, one became the "Mahamaga Pond" and the other became the "Portamarai Pond". There is a separate sanctum as Sri Mangalampa Sannati in Kumbeswarar Temple for "Kiratha Murti" and Kanchi Mutt is credited for erecting the shrine. The above was engraved in the inscription as per the request of Shri Maha Periyava to the Kanagabhisheka Committee.

**Our Sankara Mutt plays an important role in Kumbakonam Kshetra which has many glories, merit and history**

The proof that this mutt has been functioning for more than 350 years is that, our 62nd, 63rd and 64th aacharyas Brindhavan is located in Vadakodi of Sankara mutt and called as the "Vadakodi Brindhavan". There are many Shiva Temples around this shrine and those temples also have an ancient connection (Its called as Jyotir Lingam) such as, kumbeswarar, Panapureeswarar Madivanam, Naganathaswamy, Someswarar, Thiru Kalahastheeswarar, Gauthameswarar, Kottayur Kotteswarar, Abhimugeswarar / Kasi Viswanathar.

Rangantha as Charangapani and Chakrapani as Sudarsana Raja have been enshrined here in the same town. Further, the Masi Maha Utsavam is becoming a world famous in this town. It is a great blessing to have great Mahans visiting this place and to conduct Vedaparayanam, Maharuthrayagam, Rikveda Samhita Homam, Pournamasa Ishti, Sri Sudarsanayagam, Sri Radha Kalyanam in such as Kshetram.
